## Register for graduation

Conferral is the process of awarding a qualification once it has been confirmed that all course requirements have been met. Conferral dates are available in the Calendar view of your MyCQU Student Portal.

Students who have been conferred must register for graduation to attend a graduation ceremony or elect to receive a testamur online or in the mail.

## Attending a ceremony

If you have been conferred, you may choose to attend an open [graduation ceremony](#).

If you wish to attend a ceremony, it is important you complete your registration before the registration closing date.

## Online and hardcopy documents

If you do not wish to attend a ceremony, you do not need to register for graduation. You can simply access your testamur and transcript via the [My eEquals](#) platform.

Hardcopy documents can still be ordered [online](#). If you wish to order a hardcopy Testamur this cannot be collected in person.

All awards/results will only be express posted individually.
