MORE DETAILS:

To satisfy the requirements for the award of CB29 Bachelor of Oral Health, students must complete 20 units (144 credit points).

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this course planner. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Course Structure Requirements

In the CB29 Bachelor of Oral Health, students are required to complete the following course structure:

- 20 Core units

Course Duration Requirements

Full Time Duration 3 years full time

Part Time Duration Part time duration does not exist for this course

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Interim Awards Interim Awards do not exist for this course

Exit Awards CL13 Diploma of Health Science

Professional Accreditation

The Bachelor of Oral Health course at CQUniversity is accredited by the Australian Dental Council (ADC) and approved without conditions by the Dental Board of Australia (DBofA) until 31 December 2020. The course is accredited by the Australian Dental Council in accordance with s48 of the National Law.

Deferment/Leave of Absence

Due to accreditation requirements, the Bachelor of Oral Health does not currently permit a deferment and/or Leave of Absence (LOA).
Credit Transfer

If you have undertaken study in the last ten years, or have relevant informal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the CQUni Handbook for specific credit time limits relating to your course.

To submit an application for credit, please refer to the Credit Calculator or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the Credit for Prior Learning webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Residential Schools

Students studying via Distance education may be required to attend compulsory on-campus residential schools and have been marked with an asterisk (*) in the above course planner.

The units that require a compulsory residential school must be enrolled in as “Mixed Mode” under the unit availabilities in MyCentre.

For more information on the various units containing residential schools, please refer to the following link in the CQUni Handbook: https://handbook.cqu.edu.au/resschools/index or contact the Unit Coordinator directly.

Unit Coordinator contact information can be found via the Unit Profiles in the following link: https://my-courses.cqu.edu.au/pub/profiles/search.

Clinical Placement Information

The Bachelor of Oral Health course involves extensive training in a clinical environment, initially using simulator technologies before progressing to full-time clinical placements in an oral health environment.

During the Oral Health Course, students will be asked to demonstrate clinical skills whilst treating each other within their scope of practice.

Students should be prepared in their final year of study to spend four (4) days per week in full-time clinical placements as part of the course requirements.

Before commencing work placement, students must have gathered the following to provide to the appropriate academic supervisor and their workplace supervisor:

1. Signed clinical placement agreement;
2. Current approved first aid certificate; and
3. Evidence of immunisations as per the CQUniversity Policy for Vaccination of students in health courses.
4. Students require a Student (S) blue card - application form can be found at http://www.bluecard.qld.gov.au/

HLTH12031 - Students will be required to volunteer for up to 25 hours in a community-based agency.

ORAL12003 - Work-based learning takes place in a variety of settings. This includes general dental practices, specialist dental practices, school dental clinics, oral health clinics on campus and residential care facilities.
