**Important Note:** This Course Planner has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.
MORE DETAILS:

To satisfy the requirements for the award of CHC43415 Certificate IV in Leisure and Health, students must complete 17 units.

Study Mode/Recommended Study Schedule
The CHC43415 Certificate IV in Leisure and Health course is offered via Mixed Mode delivery from the CQUeiversity Gladstone City campus with intakes in March, May, July and September.

It is recommended to enrol into one unit at a time, however students can enrol into more than one at a time if desired.

Please refer to the More Details tab of your course page in the CQUi Handbook for further information.

Course Structure Requirements
In the CHC43415 Certificate IV in Leisure and Health course, students are required to complete the following course structure:

- 10 Core Units
- 7 Elective Units

Course Duration
This course is designed to be completed over 18 months of full time study.

Student Outcomes, Career Opportunities and Occupations
This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centered support to people who may require support due to ageing, disability or some other reason.

Occupational outcome: Diversionary therapy assistance, Leisure and health officer, Community leisure officer, Activities officer, Disabilities officer-day support, support worker.

These workers assist with design, implementation and evaluation of health and leisure activities and programs for clients in one or more sector areas, and may be responsible for other workers.

Clinical Placement Requirements
If students are not working in the industry, a Practical Placement of 120 hours minimum and maximum of 200 hours in a calendar year must be completed. A Third Party report must be signed by both student and supervisor to confirm essential skills gained.

Refer to the Clinical Placement Guidelines and Mandatory Checks Requirements for Clinical Placement for more details.

Important Note: This Course Planner has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.
Mandatory Check Requirements
As per the CQU Immunisation Policy and for patient and student safety, the previously recommended checks are now mandatory for all placements.

- Please click here for full details of your requirements or access these requirements via the Moodle Site.
- Please see Mandatory Cut-Off dates for submission dates of your mandatory checks. You will not be eligible to proceed to placement if you fail to meet the deadline.

Depending upon the capacity of the health care providers/facilities in the student’s geographical area, students may be expected to travel to an alternative location in order to complete their prescribed clinical placement. Students will only be offered one placement per student, per course, per term.

Any enquiries should be directed to the WIL (Work Integrated Learning) Team via email to nursingclinical@cqu.edu.au or call (07) 4930 9124.

Credit Transfer & Recognition of Prior Learning
Credit Transfer: Please refer all enquiries regarding credit transfer for your previous studies to your teacher.

Recognition of Prior Learning (RPL): If you would like to apply for RPL for your on-the-job experience, you can request an RPL kit by emailing rpl@cqu.edu.au.

Pathway into Further Education
CHC52015 Diploma of Community Services
