*DISCLAIMER:* This study plan is intended for students commencing the CC74 course in Term 3 and who ARE undertaking the Internship pathway.

*Important Note:* This Study Plan has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.

For information on the terminology used in the above study plan, please refer to the Glossary on the last page of this document.
MORE DETAILS:

To satisfy the requirements for the award of CC74 Master of Management for Engineers (Internship Pathway), students must complete 16 units (96 credit points) plus a 10-week Internship.

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this study plan. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Course Structure Requirements

In the CC74 Master of Management for Engineers, students are required to complete the following course structure:

- 12 Core Units
- 2 Elective Units

Course Duration Requirements

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Interim Awards

CH76 Graduate Certificate in Management

Exit Awards

CH76 Graduate Certificate in Management

Deferment/Leave of Absence

Domestic students in the Master of Management for Engineers degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA here.

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

Important Note: This Study Plan has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.
Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the CQUni Handbook for specific credit time limits relating to your course.

To submit an application for credit, please refer to the Credit Calculator or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the Credit for Prior Learning webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Electives

Students following the Internship Pathway must choose 2 elective units from any 6 credit point postgraduate course, provided pre-requisite and co-requisite requirements have been satisfied. Please note that the only exception to this rule is that students cannot select their electives from the CC58/CL20 Master of Business Administration course due to accreditation requirements.

It is recommended that students choose units that will enhance their career development and are relevant for their course of study.

Internship Information

In order for students to be eligible for an Internship in their final term of study, students must first ensure they meet the following criteria:

- All units must be completed on the first attempt - students cannot fail a single unit
- All students must follow the course progression as outlined in the table above – the only exception being if students have received credit
- All core and elective units must have been completed prior to enrolling in the Internship unit, BUSN20020 Business Internship

If students meet the above criteria and are eligible to apply for an Internship, students must ensure that they submit their application through the Moodle site by the advised deadline.

For more information on the Internship opportunity, please contact Shehan Thampapillai via his email address: s.thampapillai@cqu.edu.au

BUSN20020 Business Internship

This unit is a double-weighted unit (12cp) that students who are completing the Internship do in place of 2 elective units.

Students enrolled in this unit will be placed in a company for a 10-week internship requiring 4 days per week working within the host company. Students will also undertake an applied research project based on a particular issue within their host organisation. Students must also undertake this unit in the final term of your course.

If you have any questions in regard to your course, please contact the Course Advice Team:

PLEASE CHECK THE CQU HANDBOOK FOR TERM AVAILABILITIES AND PRE-REQUISITES AS THEY MAY CHANGE FROM YEAR TO YEAR http://handbook.cqu.edu.au
