### Professional Accreditation

This is a new course and accreditation with the Project Management Institute (PMI) will be sought. CQUniversity's postgraduate project management courses have been designed to develop graduates who will be eligible for membership with the Project Management Institute and it is expected that accreditation will be finalised in 2018.

More details will be available on the CQUniversity student handbook when finalised.

For eligibility concerning membership, please refer to the Project Management Institute official web site:

<http://www.pmi.org/gac/global-accreditation-center.aspx>

## Deferment/Leave of Absence

Domestic students in the Master of Project Management degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA [here](#).

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

## Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the [CQUni Handbook](#) for specific credit time limits relating to your course.

To submit an application for credit, please refer to the [Credit Calculator](#) or contact the Academic Pathways Team via their email [credit@cqu.edu.au](mailto:credit@cqu.edu.au). Further information about the credit process can also be found on the [Credit for Prior Learning](#) webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

## Electives/Minor Units

Students may choose to complete units within one of the following Minors and apply for an additional award that is more aligned with their career goals and needs. Alternatively, if students do not wish to complete one of the Minors, they are to select 24 credit points of Elective units from any postgraduate course offered within CQUniversity provided requisite requirements are met.

### **Core Stream Pathways**

Students in CV84 Master of Project Management have the option of completing one of two capstone units **part time** (PPMP20016 or PPMP20018). They must ensure the necessary units outlined below are completed for their chosen pathway. The two different study plans on pages 1 and 2 clearly show the required units students must complete for both pathways **part time**:

1. **Practicum Pathway** (*See Plan on Page 1*) includes the following units;
  - a. BUSN20017 Effective Business Communications
  - b. MGMT20143 Think Big
  - c. PPMP20018 Project Management Practicum
  
2. **Research Pathway** (*See Plan on Page 2*) includes the following units;
  - a. PPMP20019 Research Project 1
  - b. PPMP20016 Research Project 2

### **PPMP20016 Project Management Research**

This unit consists of a final year research project for the Master of Project Management. This unit is designed so that you can complete an investigative study through the analysis of, reflection on and critique of, an area of your professional practice that was commenced in the Research in Project Management unit. By completing this project, you will contribute to the body of knowledge for your discipline. You will present your project in a dissertation.

### **PPMP20018 Project Management Practicum**

In this unit you will undertake a project and participate in tasks associated with project management within a contemporary work environment. Assessment includes the opportunity to plan and execute a project, analyse your project performance and self-reflect on your experience and lessons learnt.

### **Further Information**

For further information on these units, please contact the Unit Coordinator for each unit. Details of Unit Coordinators can be found on the [unit profiles](#).

Please also note that, unfortunately, the Internship Pathway is not currently available to Domestic students.
