

School of Engineering and Technology

CC53 Master of Information Systems Full Time Study Plan – Term 1 2019 onwards

Year	Unit Code	Unit Name	CP	Requisites	Ad. Stand	Comp Term /Status
Year 1	COIT20245**	Introduction to Programming	6			T1 2019
	COIT20248**	Information Systems Analysis and Design	6			T1 2019
	COIT20249**	Professionals Skills in Information Communication Technology	6			T1 2019
	COIT20246**	ICT Services Management	6			T1 2019
	PPMP20007**	Project Management Concepts	6			T2 2019
	COIT20247**	Database Design and Development	6			T2 2019
	COIT20250**	E-Business Systems	6	Pre-Req COIT20248		T2 2019
		<i>Minor/Elective Unit (See Notes on Page 3-4)</i>	6			T2 2019
Year 2	COIT20251**	Knowledge Audits for Business Analysis	6	Pre-Req COIT20250 & COIT20249		T1 2020
	COIT20252	Business Process Management	6	Pre-Req COIT20250		T1 2020
	COIT20253	Business Intelligence using Big Data	6	Pre-Req COIT20250, COIT20245 & COIT20247		T1 2020
		<i>Minor/Elective Unit (See Notes on Page 3-4)</i>	6			T1 2020
	COIT20254	Information Systems Project	12	Pre-Req COIT20246, COIT20252, COIT20253 COIT20251 & PPMP20007		T2 2020
		<i>Minor/Elective Unit (See Notes on Page 3-4)</i>	6			T2 2020
		<i>Minor/Elective Unit (See Notes on Page 3-4)</i>	6			T2 2020
Total Units: 15			96			

** Available over Term 3

✓ Completed

CP = Credit Points

DISCLAIMER: This study plan is intended for students commencing the CC53 course and who are **NOT** undertaking the Internship pathway. Please note that the Internship pathway is currently **only available to International students**.

For information on the terminology used in the above study plan, please refer to the Glossary on the last page of this document.

MORE DETAILS:

To satisfy the requirements for the award of CC53 Master of Information Systems, students must complete 15 units (96 credit points).

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this study plan. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Course Structure Requirements

In the CC53 Master of Information Systems, students are required to complete the following course structure:

- 11 Core Units
- 4 Minor Units **OR** 4 Elective Units

Course Duration Requirements

Full Time Duration 2 years full time

Part Time Duration 4 years part time

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Interim Awards CC29 Graduate Certificate in Information Systems
CC33 Graduate Certificate in Project Management
CC47 Graduate Diploma of Information Systems

Exit Awards CC29 Graduate Certificate in Information Systems
CC47 Graduate Diploma of Information Systems

Professional Accreditation

Australian Computer Society (ACS) - Professional Level.

Please note: the ACS accredits each campus individually, therefore students should check the current status of accreditation for newly established locations.

For enquiries concerning eligibility or membership, please refer to the ACS official website: www.acs.org.au

Deferment/Leave of Absence

Domestic students in the Master of Information Systems degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA [here](#).

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the [CQUni Handbook](#) for specific credit time limits relating to your course.

To submit an application for credit, please refer to the [Credit Calculator](#) or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the [Credit for Prior Learning](#) webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Elective Listing

Students who do not wish to undertake a minor may study 4 electives from the elective listing instead.

Please refer to the [CQUni Handbook](#) for further information regarding electives for the Master of Information Systems.

** Students wishing to apply for the Interim Award CC33 Graduate Certificate in Project Management **must** complete the **following three** elective units by their second last term of study.

Elective Choices from CC33 Graduate Certificate in Project Management
PPMP20008 Initiating and Planning Projects
PPMP20009 Leading Lean Projects
PPMP20010 Executing and Closing Projects

If these units are completed in the final term of study, CC33 Graduate Certificate in Project Management cannot be awarded, as it is not possible to receive a Graduate Certificate and a Master's degree in the same term.

Minor Options for students taking the Master of Information Systems

To obtain a minor, students must complete four units. Please note that if you complete a minor, you will **not** need to also complete elective units.

Mobile Application Development Minor (4 units)

Students must complete the following two units

- COIT20268 Responsive Web Design
- COIT20269 Mobile Web Apps

Plus two of the following units

- COIT20270 App Development for Mobile Platforms
- COIT20271 Mobile Game Development
- COIT20260 Cloud Computing for Smart Applications

Software Design and Development Minor (4 units)

Students must complete the following two units

- COIT20256 Data Structures and Algorithms
- COIT20257 Distributed Systems: Principles and Development

Plus two of the following units

- COIT20258 Software Engineering
- COIT20259 Enterprise Computing Architecture
- COIT20277 Introduction to Computational Intelligence

Networks and Information Security Minor (4 units)

Students must complete the following two units

- COIT20261 Network Routing and Switching
- COIT20262 Advanced Network Security

Plus two of the following units

- COIT20263 Information Security Management
- COIT20264 Network Design
- COIT20267 Computer Forensics

Please also refer to the [CQUni Handbook](#) for further information regarding the minors, in particular, the order in which the minor units must be studied.

If you have any questions about your course, please contact the Course Advice Team: spc@cqu.edu.au or by visiting <http://handbook.cqu.edu.au/eforms/index> and filling out the 'Ask a Course Advisor' e-form.

PLEASE CHECK THE CQUNI HANDBOOK FOR ALL TERM AVAILABILITIES AND PRE-REQUISITES AS THEY MAY CHANGE FROM YEAR TO YEAR <http://handbook.cqu.edu.au>

GLOSSARY

- **Course**: A course is the combination of units that contribute towards either a CQUniversity award qualification or non-award study.
- **Course Code**: A course code identifies the specific course a student may be studying at CQUniversity.
- **Unit**: A unit is the individual subject students must complete in order to graduate from their course.
- **Unit Code**: A unit code identifies a specific unit that a student is enrolled in under their course.
- **Pre-Requisite (Pre-Req) Unit**: A pre-req unit is a unit which students must pass before being allowed to enrol in the subsequent unit.
- **Co-Requisite (Co-Req) Unit**: A co-req unit is a unit that must be studied at the same time as another unit.
- **Anti-Requisite (Anti-Req) Unit**: An anti-req unit is an old unit that has been replaced by a new unit and students are not permitted to study the old unit.
- **Credit Points (CP)**: Credit Points are the numerical value of a unit which contributes to the total Credit Points for a course.
- **Core Unit**: A core unit is a compulsory unit that a student must study to meet the requirements of their course.
- **Elective Unit**: An elective unit is a unit within a course that is not compulsory and students may have a choice in what unit they study, provided it meets the elective requirements of their course.
- **Major**: A major is a specific area within a course where a student specialises in and is normally made up of 8 units for undergraduate courses, and 4 units for postgraduate courses. Not all courses have majors.
- **Double Major**: A double major is where students specialise in 2 areas of study and is normally made up of 16 units. Double majors are normally only available in undergraduate courses.
- **Minor**: Like a major, a minor is a specific area within a course where a student specialises and is normally made up of 4 units.
- **Term**: A specified period of time for higher education units in which teaching, learning and assessment occurs. CQUniversity offers 3 Academic Terms per year: Term 1, Term 2 and Term 3.
