**Total Units: 16**

✓ Completed

**Important Note:** This Course Planner has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.  
Last Updated: 19/02/2019
MORE DETAILS:

To satisfy the requirements for the award of AHC30716 Certificate III in Horticulture, students must complete 16 units.

Study Mode/Recommended Study Schedule
The AHC30716 Certificate III in Horticulture course is offered Online and via On-campus delivery at the CQUniversity Rockhampton and Gladstone campuses, with intakes in February, March, April, May, June, July, August, September, October and November.

Students are not able to enrol in any more than three (3) units at a time.

Please refer to the More Details tab of your course page in the CQUi Handbook for further information.

Course Structure Requirements
In the AHC30716 Certificate III in Horticulture course, students are required to complete the following course structure:

- 5 Core Units
- 11 Elective Units

Course Duration
This course is designed to be completed over 2 years of full time study.

Elective Options
Complete eleven (11) Elective units from the following list:

- AHCIRG331 Install Pressurised Irrigation Systems
- AHCNAR301 Maintain Natural Areas
- AHCNAR303 Implement Revegetation Works
- AHCWRK309 Apply Environmentally Sustainable Work Practices
- AHCTRF303 Implement a Grassed Area Maintenance Program
- AHCTRF302 Establish Turf
- AHCPGD303 Perform Specialist Amenity Pruning
- AHCPGD304 Implement a Landscape Maintenance Program
- AHCPGD301 Implement a Plant Establishment Program
- AHCPCM304 Report on Health and Condition of Trees
- AHCPCM301 Implement a Plant Nutrition Program
- AHCNSY306 Implement a Propagation Plan
- AHCNSY303 Install and Maintain Plant Displays
- AHCNSY301 Maintain Nursery Plants
- AHCMOM304 Operate Machinery and Equipment
- AHCIRG333 Maintain Pressurised Irrigation Systems
- AHCCHM304 Transport Handle and Store Chemicals
- AHCCHM303 Prepare and Apply Chemicals
- AHCARB301 Implement a Tree Maintenance Program

Student Outcomes, Career Opportunities and Occupations
Possible Career Opportunities may include employment as a Horticulture worker, a Horticulture assistant, a Horticulturist or a Gardener.
Work Experience Requirements

Students studying online who are not currently working in the Horticulture industry will be required to seek and complete work experience whilst studying, to meet practical competency requirements.

Within the work experience environment, there must be a supervisor available who has at least 2 years’ experience in the Horticulture industry, or must hold a relevant Certificate (more information will be provided by the teacher during the initial meeting). The supervisor will be responsible for signing off on third party reports which are required for practical observations for each unit of competency. Teaching staff will provide third party reports to students as part of unit assessment requirements.

It is not mandatory for students who are studying on-campus to complete work experience as practical requirements will be satisfied by in class activities.

Credit Transfer & Recognition of Prior Learning

Credit Transfer: Please refer all enquiries regarding credit transfer for your previous studies to your teacher.

Recognition of Prior Learning (RPL): If you would like to apply for RPL for your on-the-job experience, you can request an RPL kit by emailing rpl@cqu.edu.au.

If you have any questions in regard to your course, please contact the Course Advice Team:

PLEASE CHECK THE CQU HANDBOOK FOR TERM AVAILABILITIES AND PRE-REQUISITES AS THEY MAY CHANGE FROM YEAR TO YEAR http://handbook.cqu.edu.au
