**Total Units:** 25

192

**Available over Term 3**

* Compulsory Residential School
✓ Completed

CP = Credit Points

For information on the terminology used in this study plan, please refer to the Glossary on the last page of this document.

**Important Note:** This Study Plan has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.
MORE DETAILS:

To satisfy the requirements for the award of CG92 Bachelor of Medical Imaging, students must complete 25 units (192 credit points).

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this study plan. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Students are required to study in all three terms of Years 1-3 of the course.

Course Structure Requirements

In the CG92 Bachelor of Medical Imaging, students are required to complete the following course structure:

- 25 Core Units

Students are required to study in all three terms of Years 1-3 of the course.

Course Duration Requirements

Full Time Duration 4 years full time

Part Time Duration Part time duration does not exist for this course

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Students are able to study Year 1 of the course on a part-time basis. For assistance with a part-time study plan for Year 1 of the course, please contact the Course Advice Team at spc@cqu.edu.au.

Interim Awards Interim Awards do not exist for this course

Exit Awards

CL13 Diploma of Health Science
CB26 Bachelor of Health Science (Imaging)

Professional Accreditation

This course is approved by the Medical Radiation Practice Board of Australia.

Deferment/Leave of Absence

Due to accreditation requirements, the Bachelor of Medical Imaging does not currently permit a deferment.

Domestic students in the CG92 Bachelor of Medical Imaging degree may take an approved Leave of Absence (LOA) once they have commenced their course of study, however, only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a LOA here.
Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the CQUni Handbook for specific credit time limits relating to your course.

To submit an application for credit, please refer to the Credit Calculator or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the Credit for Prior Learning webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Residential Schools

Students studying via Distance education may be required to attend compulsory on-campus residential schools and have been marked with an asterisk (*) in the above study plan.

The units that require a compulsory residential school must be enrolled in as “Mixed Mode” under the unit availability in MyCentre.

For more information on the various units containing residential schools, please refer to the following link in the CQUni Handbook: https://handbook.cqu.edu.au/resschools/index or contact the Unit Coordinator directly.

Unit Coordinator contact information can be found via the Unit Profiles in the following link: https://my-courses.cqu.edu.au/pub/profiles/search

Clinical Placement Information

MEDI12004 - Students will complete a five week block placement in a diagnostic imaging facility. Students perform general radiographic procedures under direct supervision of a qualified radiographer. Students are supported on-site by a clinical supervisor and by the academic unit coordinator at CQUniversity.

MEDI13004 - Students will complete a five week block placement in a diagnostic imaging facility. Students perform general radiography under direct supervision of a qualified radiographer. Students are supported on-site by a clinical supervisor and by the academic unit coordinator at CQUniversity.

MEDI13005 - Students will complete a twelve week block placement in one or two diagnostic imaging facilities. Students perform general radiography, mobile and adaptation imaging and computed tomography (CT) under the direct supervision of a qualified radiographer. Students are supported on-site by a clinical supervisor and by the academic unit coordinator at CQUniversity.

MEDI14005 - Students will complete a sixteen week block placement in one or more diagnostic imaging facilities. Students perform a wide range of radiographic procedures, progressing to independent practice in preparation for entry to professional practice. Students also consolidate their skills in two other areas of radiographic practice. Students are supported on-site by a clinical supervisor and by the academic unit coordinator at CQUniversity.
MEDI14006 - Students will complete a twelve week block placement in one or two diagnostic imaging facilities. Students perform general radiography, mobile and adaptation imaging and computed tomography (CT) under the direct supervision of a qualified radiographer. Students are supported on-site by a clinical supervisor and by the academic unit coordinator at CQUiversity.

If you have any questions about your course, please contact the Course Advice Team: spc@cqu.edu.au or by visiting http://handbook.cqu.edu.au/eforms/index and filling out the ‘Ask a Course Advisor’ e-form.

PLEASE CHECK THE CQUNI HANDBOOK FOR ALL TERM AVAILABILITIES AND PRE-REQUISITES AS THEY MAY CHANGE FROM YEAR TO YEAR http://handbook.cqu.edu.au
GLOSSARY

- **Course**: A course is the combination of units that contribute towards either a CQUniversity award qualification or non-award study.

- **Course Code**: A course code identifies the specific course a student may be studying at CQUniversity.

- **Unit**: A unit is the individual subject students must complete in order to graduate from their course.

- **Unit Code**: A unit code identifies a specific unit that a student is enrolled in under their course.

- **Pre-Requisite (Pre-Req) Unit**: A pre-req unit is a unit which students must pass before being allowed to enrol in the subsequent unit.

- **Co-Requisite (Co-Req) Unit**: A co-req unit is a unit that must be studied at the same time as another unit.

- **Anti-Requisite (Anti-Req) Unit**: An anti-req unit is an old unit that has been replaced by a new unit and students are not permitted to study the old unit.

- **Credit Points (CP)**: Credit Points are the numerical value of a unit which contributes to the total Credit Points for a course.

- **Core Unit**: A core unit is a compulsory unit that a student must study to meet the requirements of their course.

- **Elective Unit**: An elective unit is a unit within a course that is not compulsory and students may have a choice in what unit they study, provided it meets the elective requirements of their course.

- **Major**: A major is a specific area within a course where a student specialises in and is normally made up of 8 units for undergraduate courses, and 4 units for postgraduate courses. Not all courses have majors.

- **Double Major**: A double major is where students specialise in 2 areas of study and is normally made up of 16 units. Double majors are normally only available in undergraduate courses.

- **Minor**: Like a major, a minor is a specific area within a course where a student specialises and is normally made up of 4 units.

- **Term**: A specified period of time for higher education units in which teaching, learning and assessment occurs. CQUniversity offers 3 Academic Terms per year: Term 1, Term 2 and Term 3.

**Important Note**: This Study Plan has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.
