Work Experience Requirements
Students studying Online and who are not currently working in the Horticulture industry will be required to seek and complete work experience whilst studying, to meet practical competency requirements.

Within the work experience environment, there must be a supervisor available who has at least 2 years’ experience in the Horticulture industry, or must hold a relevant Certificate (more information will be provided by the teacher during the initial meeting). The supervisor will be responsible for signing off on third party reports which are required for practical observations for each unit of competency. Teaching staff will provide third party reports to students as part of unit assessment requirements.

It is not mandatory for students who are studying on-campus to complete work experience as practical requirements will be satisfied by in class activities.

Credit Transfer & Recognition of Prior Learning
Credit Transfer: Please refer all enquiries regarding credit transfer for your previous studies to your teacher.

Recognition of Prior Learning (RPL): If you would like to apply for RPL for your on-the-job experience, you can request an RPL kit by emailing rpl@cqu.edu.au.

If you have any questions in regard to your course, please contact the Course Advice Team:
