Exit Awards CL13 Diploma of Health Science

Professional Accreditation

The course seeks accreditation from the Chiropractic Board of Australia (CBA) - All enrolled students will be registered by the Australian Health Practitioner's Registration Agency (AHPRA)

Deferment/Leave of Absence

Domestic students in the Bachelor of Science (Chiropractic), degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA [here](#).

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the [CQUni Handbook](#) for specific credit time limits relating to your course.

To submit an application for credit, please refer to the [Credit Calculator](#) or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the [Credit for Prior Learning](#) webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Residential Schools

Students studying via Online studies may be required to attend compulsory on-campus residential schools and have been marked with an asterisk (*) in the above Course Planner.

The units that require a compulsory residential school must be enrolled in as "Mixed Mode" under the unit availabilities in MyCentre.

For more information on the various units containing residential schools, please refer to the following link in the CQUni Handbook: <https://handbook.cqu.edu.au/resschools/index> or contact the Unit Coordinator directly.

Unit Coordinator contact information can be found via the Unit Profiles in the following link: <https://my-courses.cqu.edu.au/pub/profiles/search>.

Clinical Placement Information

CHIR12005 - Students are required to spend time with a practicing chiropractor and asked to reflect on real life scenarios. They are also required to understand contextual frameworks of chiropractic practice. This is 'advanced beginner' using the Dreyfus model.

CHIR12006 - Students are required to spend time with a practicing chiropractor and are required to understand underlying principles in a chiropractic practice and clinically reflect on simple case scenarios. This is 'competent' using the Dreyfus model.

CHIR13009 - Students are required to spend time with a practicing chiropractor and are required to demonstrate a higher level of clinical interpretation and reasoning skills. The skill level is aimed at the 'proficient' according to the Dreyfus model. At the completion of Professional Chiropractic Practice 2 students should have a strong ability to clinical reflect and interpret from case scenarios. Their clinical reasoning skills are beginning to develop.

CHIR13008 - Students are required to spend time with a practicing chiropractor and are required to demonstrate a greater level of cognition. They are required to clinically reflect, interpret from case scenarios and demonstrate clinical reasoning skills at a basic level. This continues to be at the 'competent' level (as above) using the Dreyfus model.
