

Logging into Anydesk

Anydesk at CQUniversity allows Students and Staff to access a range of services, such as network drives and software when off campus.

Accessing Anydesk

1. In the URL bar of your internet browser type anydesk.cqu.edu.au
2. You will be presented a screen with two options:

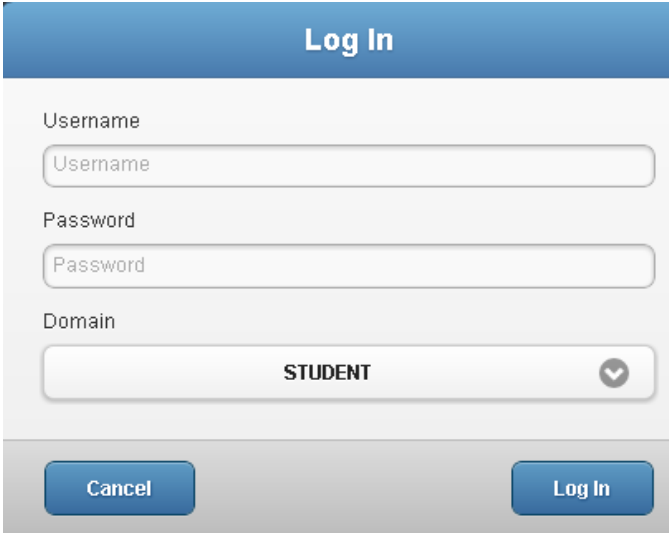

You can log into the Anydesk Virtual Machine in your browser by clicking on the “VMware Horizon View HTML Access” or by installing the “VMware Horizon View Client”. The “VMware Horizon View Client” offers more features and is recommended if you will be using Anydesk regularly.

If you choose the VMware Horizon View HTML Access

1. Click on “VMware Horizon View HTML Access”

2. Enter in your CQUniversity “username” and “password” and ensure the “domain” is set to “CQU” if you are staff or “Student” if you are a student. Click on “Login”.

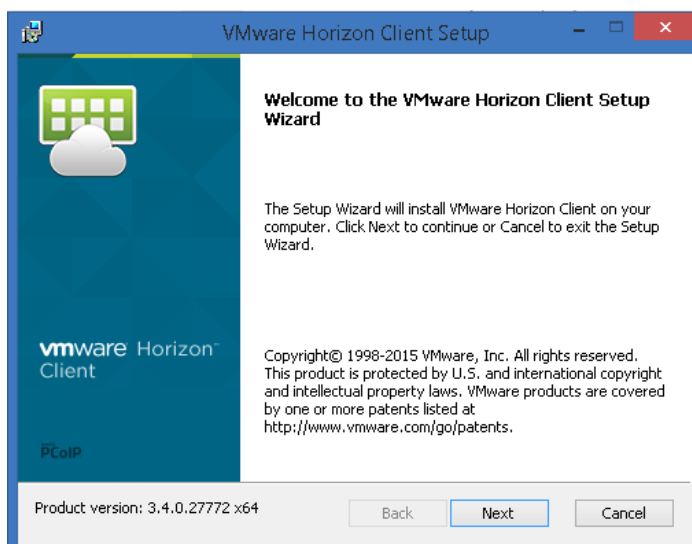

3. Choose either “Staff” or “Student”

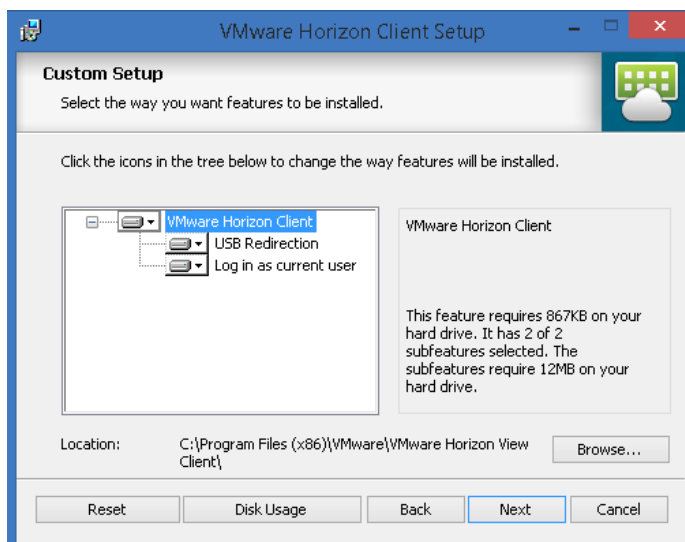

4. Once presented with the “Legal Notice” click “OK” and you will be logged into the virtual machine.

If you choose to install the VMware Horizon View Client

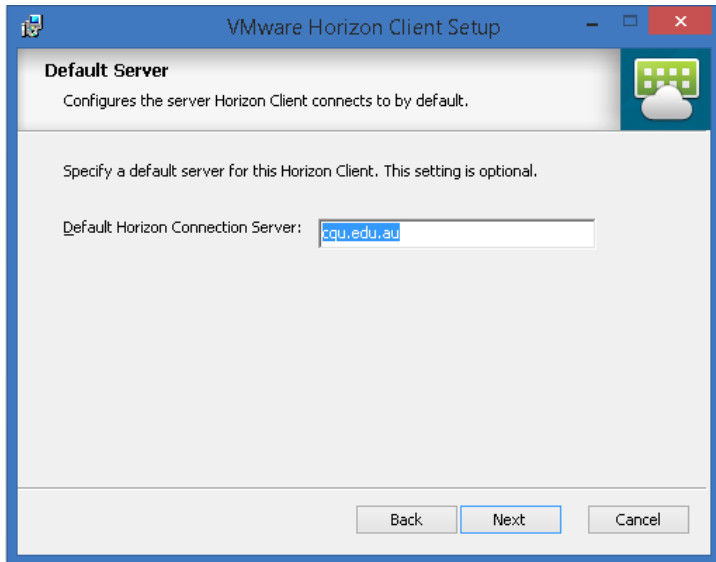

1. Click on “Install VMware Horizon View Client”
2. Find your operating system and click on “Go to Downloads”
3. Click “Download”
4. Once the file has finished downloading run the software from your downloads folder and you will be presented with the following window:

5. Click on "next". Then read and tick "I accept the terms and the License Agreement" and click "next".
6. Leave "IPv4" selected and click "next"
7. Leave the "Custom Setup" window as the default and click "next"

8. Leave or enter the “Default Server” as `cqu.edu.au` and click “next”

- 9. Click “next” on the “Enhanced Single Sign On” window
- 10. Click “next” on the “Configure Shortcuts” window
- 11. Click “install”. Once installed click “Finish”
- 12. Once installed you will need to restart your computer
- 13. Once you have restarted your computer double click on the VMware icon from your desktop or all programs list

14. Click on the “Anydesk.cqu.edu.au” icon

15. Enter in your CQUniversity “username” and “password” and ensure the “domain” is set to “CQU” if you are staff or “Student” if you are a student. Click on “Login” then click on “Staff” or “Student”

Anydesk

BE WHAT YOU WANT TO BE
cqu.edu.au

16. Once presented with the “Legal Notice” click “OK” and you will be logged into the virtual machine.
