✓ Completed  
CP = Credit Points

For information on the terminology used in the above course planner, please refer to the Glossary on the last page of this document.

**Important Note:** This Course Planner has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements. Last Updated: 25/01/2019
MORE DETAILS:

To satisfy the requirements for the award of CV70 Bachelor of Logistics, students must complete 16 units (144 credit points).

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this course planner. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Course Structure Requirements

In the CV70 Bachelor of Logistics, students are required to complete the following course structure:

- 16 Core Units

Course Duration Requirements

Full Time Duration 2 years full time
Part Time Duration 4 years part time

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Interim Awards

Interim Awards do not exist for this course

Exit Awards

Exit Awards do not exist for this course

Professional Accreditation

Applications have been made for accreditation by the Chartered Institute of Purchasing and Supply (CIPS); the Logistics Association of Australia and the Supply Chain & Logistics Association of Australia. Students enrolled in the course are eligible for student membership of CIPS. By selecting appropriate units, graduates of the course may be eligible for full membership of CIPS.

Membership, amongst other benefits, gives students access to the comprehensive career support from the Chartered Institute of Purchasing and Supply including access to the resources of the CIPS International On-Line Knowledge Centre, the largest online resource of its kind specifically focused on transport and logistics.
Deferment/Leave of Absence

Domestic students in the Bachelor of Logistics degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA [here](#).

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the [CQU Handbook](#) for specific credit time limits relating to your course.

To submit an application for credit, please refer to the [Credit Calculator](#) or contact the Academic Pathways Team via their email [credit@cqu.edu.au](mailto:credit@cqu.edu.au). Further information about the credit process can also be found on the [Credit for Prior Learning](#) webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUUniversity. CQUUniversity cannot obtain documents from other institutions, organisations or individuals.

Practicum/Work Integrated Learning (WIL) Requirements

Students in the CV70 course will complete 3 Work-Integrated Learning (WIL) units. See below for more information:

- **LOGS13003 Simulation of Facility Design**
  
  Student will be involved in engagement through learning partnered with relevant industries. These learning prospects may be in the form of industry based projects, simulations or placements.

- **LOGS13007 Integration Challenges**
  
  Students will undertake structured activities that allow students to learn, apply and demonstrate their professional practice. These learning prospects may be in the form of industry based projects, simulations or placements.

- **LOGS13008 Global Supply Chain Challenges**
  
  Students will undertake structured activities that allow them to learn, apply and demonstrate their professional practice. These learning prospects may be in the form of industry based projects, simulations or placements.

If you have any questions about your course, please contact the Course Advice Team: [spc@cqu.edu.au](mailto:spc@cqu.edu.au) or by visiting [http://handbook.cqu.edu.au/eforms/index](http://handbook.cqu.edu.au/eforms/index) and filling out the ‘Ask a Course Advisor’ e-form.

**Important Note:** This Course Planner has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.

GLOSSARY

- **Course**: A course is the combination of units that contribute towards either a CQUniversity award qualification or non-award study.

- **Course Code**: A course code identifies the specific course a student may be studying at CQUniversity.

- **Unit**: A unit is the individual subject students must complete in order to graduate from their course.

- **Unit Code**: A unit code identifies a specific unit that a student is enrolled in under their course.

- **Pre-Requisite (Pre-Req) Unit**: A pre-req unit is a unit which students must pass before being allowed to enrol in the subsequent unit.

- **Co-Requisite (Co-Req) Unit**: A co-req unit is a unit that must be studied at the same time as another unit.

- **Anti-Requisite (Anti-Req) Unit**: An anti-req unit is an old unit that has been replaced by a new unit and students are not permitted to study the old unit.

- **Credit Points (CP)**: Credit Points are the numerical value of a unit which contributes to the total Credit Points for a course.

- **Core Unit**: A core unit is a compulsory unit that a student must study to meet the requirements of their course.

- **Elective Unit**: An elective unit is a unit within a course that is not compulsory and students may have a choice in what unit they study, provided it meets the elective requirements of their course.

- **Major**: A major is a specific area within a course where a student specialises in and is normally made up of 8 units for undergraduate courses, and 4 units for postgraduate courses. Not all courses have majors.

- **Double Major**: A double major is where students specialise in 2 areas of study and is normally made up of 16 units. Double majors are normally only available in undergraduate courses.

- **Minor**: Like a major, a minor is a specific area within a course where a student specialises and is normally made up of 4 units.

- **Term**: A specified period of time for higher education units in which teaching, learning and assessment occurs. CQUniversity offers 3 Academic Terms per year: Term 1, Term 2 and Term 3.
