To be eligible for a place in the Outbound Exchange program for a term (semester) or academic year, you must meet the following requirements:

1. Be a current student at any CQUniversity Australia campus.
 - a. Those enrolled by Online Studies must be an Australian citizen or permanent resident.

3. Meet any entry requirements stipulated by our partner institutions including pre-requisites for chosen courses.

It is possible for students to go out on exchange more than once, but you may be restricted by your course of study and in some cases, external accreditation of your course. If you are able to go out on exchange more than once you must find a new host institution each time due to partner restrictions.

Note for International Students

If you are an international student studying at CQUniversity Australia on a student visa, there may be some restrictions on where you can go. The standard international student visa regulations would not allow you to remain in Australia and undertake a virtual exchange and we do not encourage students to return to their country of origin on our exchange program. Some of our partner institutions will also have restrictions, but there will be opportunities available to you. Please contact our CQUGlobal adviser by emailing cquglobal-out@cqu.edu.au or calling 07 4923 2438.
