MORE DETAILS:

To satisfy the requirements for the award of CV84 Master of Project Management students must complete 15 units (96 credit points) including a capstone unit.

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this study plan. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Course Structure Requirements

In the CV84 Master of Project Management, students are required to complete the following course structure:

- 12 Core Units
- 4 Elective Units OR 4 Minor Units

Course Duration Requirements

Full Time Duration 2 years full time

Part Time Duration 4 years part time

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Interim Awards

CC33 Graduate Certificate in Project Management
CV81 Graduate Diploma of Project Management

Exit Awards

CC33 Graduate Certificate in Project Management
CV81 Graduate Diploma of Project Management

Professional Accreditation

This is a new course and accreditation with the Project Management Institute (PMI) will be sought. CQUniversity’s postgraduate project management courses have been designed to develop graduates who will be eligible for membership with the Project Management Institute and it is expected that accreditation will be finalised in 2018.

More details will be available on the CQUniversity student handbook when finalised.

For eligibility concerning membership, please refer to the Project Management Institute official web site: http://www.pmi.org/gac/global-accreditation-center.aspx

Important Note: This Study Plan has no formal or legal status but is used to assist students in planning their course. Students should refer to the official University database and/or University transcripts to ensure they are meeting course requirements.
Deferment/Leave of Absence

Domestic students in the Master of Project Management degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA here.

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

Credit Transfer

If you have undertaken study in the last ten years, or have relevant informal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the CQUni Handbook for specific credit time limits relating to your course.

To submit an application for credit, please refer to the Credit Calculator or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the Credit for Prior Learning webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Electives/Minor Units

Students may choose to complete units within one of the following Minors and apply for an additional award that is more aligned with their career goals and needs. Alternatively, if students do not wish to complete one of the Minors, they are to select 24 credit points of Elective units from any postgraduate course offered within CQUniversity provided requisite requirements are met.

Core Stream Pathways

Students in CV84 Master of Project Management have the option of completing one of three capstone units (PPMP20017, PPMP20018 or PPMP20016). They must ensure the necessary units outlined below are completed for their chosen pathway. The three different study plans on pages 1, 2 and 3 clearly show the required units students must complete for each pathway.

1. Internship Pathway (See Plan on Page 1) includes the following units;
   a. BUSN20017 Effective Business Communications
   b. MGMT20144 Management and Business Context
   c. PPMP20017 Project Management Internship

   (Please note this Pathway includes study requirements in a Term 3 (Nov-Feb) period so as to allow completion within a two year time frame)

2. Practicum Pathway (See Plan on Page 2) includes the following units;
   a. BUSN20017 Effective Business Communications
   b. MGMT20143 Think Big
   c. PPMP20018 Project Management Practicum

3. Research Pathway (See Plan on Page 3) includes the following units;
   a. PPMP20019 Research Project 1
   b. PPMP20016 Research Project 2
PPMP20017 Project Management Internship

In this unit you will undertake an internship, which will provide you with real project management experience while working with an employer (work-integrated learning). You will integrate knowledge and skills gained while studying your discipline units with their application in the workplace to further develop your project management competencies. You will document and reflect on your learning experiences and on their contribution to your professional development.

To qualify for the internship, you need to undertake and have successfully completed all core and elective stream units prior to the internship term. You must also be in good academic standing, successfully pass the CQUniversity English Language Placement test and complete an interview with the internship host.

For more information on the Internship opportunity, please contact the School of Engineering and Technology Internship Officer on SETInternships@cqu.edu.au.

PPMP20016 Project Management Research

This unit consists of a final year research project for the Master of Project Management. This unit is designed so that you can complete an investigative study through the analysis of, reflection on and critique of, an area of your professional practice that was commenced in the Research in Project Management unit. By completing this project, you will contribute to the body of knowledge for your discipline. You will present your project in a dissertation.

PPMP20018 Project Management Practicum

In this unit you will undertake a project and participate in tasks associated with project management within a contemporary work environment. Assessment includes the opportunity to plan and execute a project, analyse your project performance and self-reflect on your experience and lessons learnt.

Further Information

For further information on these units, please contact the Unit Coordinator for each unit. Details of Unit Coordinators can be found on the unit profiles.

Additional information on the Internship is provided during an information session given by Australian Internships. Students who elect to take the internship option should refer to the study schedule posted on the Moodle site: School of Engineering and Technology Internships (SET Internships).

If you have any questions about your course, please contact the Course Advice Team: spc@cqu.edu.au or by visiting http://handbook.cqu.edu.au/eforms/index and filling out the ‘Ask a Course Advisor’ e-form.

PLEASE CHECK THE CQUNI HANDBOOK FOR ALL TERM AVAILABILITIES AND PRE-REQUISITES AS THEY MAY CHANGE FROM YEAR TO YEAR http://handbook.cqu.edu.au
GLOSSARY

- **Course**: A course is the combination of units that contribute towards either a CQUniversity award qualification or non-award study.
- **Course Code**: A course code identifies the specific course a student may be studying at CQUniversity.
- **Unit**: A unit is the individual subject students must complete in order to graduate from their course.
- **Unit Code**: A unit code identifies a specific unit that a student is enrolled in under their course.
- **Pre-Requisite (Pre-Req) Unit**: A pre-req unit is a unit which students must pass before being allowed to enrol in the subsequent unit.
- **Co-Requisite (Co-Req) Unit**: A co-req unit is a unit that must be studied at the same time as another unit.
- **Anti-Requisite (Anti-Req) Unit**: An anti-req unit is an old unit that has been replaced by a new unit and students are not permitted to study the old unit.
- **Credit Points (CP)**: Credit Points are the numerical value of a unit which contributes to the total Credit Points for a course.
- **Core Unit**: A core unit is a compulsory unit that a student must study to meet the requirements of their course.
- **Elective Unit**: An elective unit is a unit within a course that is not compulsory and students may have a choice in what unit they study, provided it meets the elective requirements of their course.
- **Major**: A major is a specific area within a course where a student specialises in and is normally made up of 8 units for undergraduate courses, and 4 units for postgraduate courses. Not all courses have majors.
- **Double Major**: A double major is where students specialise in 2 areas of study and is normally made up of 16 units. Double majors are normally only available in undergraduate courses.
- **Minor**: Like a major, a minor is a specific area within a course where a student specialises and is normally made up of 4 units.
- **Term**: A specified period of time for higher education units in which teaching, learning and assessment occurs. CQUniversity offers 3 Academic Terms per year: Term 1, Term 2 and Term 3.
