DISCLAIMER: This Part Time Study Plan is for DOMESTIC STUDENTS ONLY. International students are not permitted to study their course on a part time basis.

For information on the terminology used in the above study plan, please refer to the Glossary on the last page of this document.

MORE DETAILS:

To satisfy the requirements for the award of CQ18 Bachelor of Information Technology (Business Analysis), students must complete 23 units (144 credit points).

Recommended Study Schedule

Students should complete units in an order that is as close as possible to the recommended structure set out in this study plan. Students should concentrate on completing all first year units before moving on to second year units, and all second year units before moving on to third year units.

Course Structure Requirements

In the CQ18 Bachelor of Information Technology, students are required to complete the following course structure:

- 8 Core Units
- 7 Major Units
- 8 Elective Units

Course Duration Requirements

Full Time Duration 3 years full time

Part Time Duration 6 years part time

Please also note that if you fail units or take a Leave of Absence, your course duration and completion timeframe may be extended.

Interim Awards CG36 Diploma of Information and Communications Technology
CA99 Associate Degree of Information Technology

Exit Awards CG36 Diploma of Information and Communications Technology
CA99 Associate Degree of Information Technology

Professional Accreditation

- Australian Computer Society (ACS) - Professional level.
- Please note: the ACS accredits each campus individually, therefore students should check the current status of accreditation for newly established locations.
- For enquiries concerning eligibility or membership, please refer to the ACS official website:
- www.acs.org.au.

Deferment/Leave of Absence

Domestic students in the Bachelor of Information Technology degree are permitted to defer the initial offer of their degree for a maximum of 12 months before their offer is withdrawn. Furthermore, domestic students may also take an approved Leave of Absence (LOA) once they have commenced their course of study however only a maximum of 12 months can be granted without requesting further approval from the Head of Course.

You can apply for a deferment or LOA [here](#).

International students are not permitted to defer their initial offer or take a Leave of Absence unless otherwise discussed with their Home Campus.

Credit Transfer

If you have undertaken study in the last ten years, or have relevant in-formal or non-formal learning, you may be eligible for credit towards your course. Please note that some courses have reduced timeframes within which prior study remains eligible for credit. Please refer to the [CQUni Handbook](#) for specific credit time limits relating to your course.

To submit an application for credit, please refer to the [Credit Calculator](#) or contact the Academic Pathways Team via their email credit@cqu.edu.au. Further information about the credit process can also be found on the [Credit for Prior Learning](#) webpage.

Credit applications should be submitted at least four (4) weeks before the relevant term commences. Applications must be complete with all supporting documentation to be assessed by CQUniversity. CQUniversity cannot obtain documents from other institutions, organisations or individuals.

Major Information

Students in the CQ18 course have the option of selecting one of three different Majors. Those Majors are listed below:

- Application Development
- Business Analysis
- Network Security

Each Major has seven 6 credit point Core Major Units and one 12 credit point Core Major Project Unit that students must complete in order to satisfy the requirements of that Major.

Electives

- Electives may include recommended electives as listed below
- Electives may include any unit from the Bachelor of Information Technology majors as listed above provided all pre-requisites have been met
- No more than 5 units may be Level 1 (e.g. COIT11239).
- Students may choose to do any of the following as electives:
 - COIT12204 Web Site Development
 - BUSN19024 Professional Practice Preparation
 - COIS11011 Foundations of Business Computing.
 - COIS13034 Cloud Based Smart Applications Management
 - COIT12209 Data Science
- Electives may also be chosen from other CQUni undergraduate courses, provided requisites are met.

Advanced Level Elective Information:

- To satisfy university rules students will need to take at least three Advanced Level electives. Advanced Level units have a unit number beginning with "12", "13" or "19", for example, COIS13034.
- Students are advised to seek advice from a Course Advisor regarding their elective units if they're unsure.

Internship Information

- Students undertaking an internship will enrol in the unit COIT13239 Undergraduate ICT Internship instead of the capstone unit COIT13232 Business Analysis Project.
- Students who elect to take the internship option instead of a capstone unit should refer to the study schedule posted on the Moodle site "School of Engineering and Technology Internships" (SET Internships).
- Students undertaking this option are strongly encouraged to contact the Course Advice Team regarding their study plan.
- Please note that CQ18 internships are currently only available for international students.

If you have any questions about your course, please contact the Course Advice Team: spc@cqu.edu.au or by visiting <http://handbook.cqu.edu.au/eforms/index> and filling out the 'Ask a Course Advisor' e-form.

PLEASE CHECK THE CQUNI HANDBOOK FOR ALL TERM AVAILABILITIES AND PRE-REQUISITES AS THEY MAY CHANGE FROM YEAR TO YEAR <http://handbook.cqu.edu.au>

GLOSSARY

- **Course**: A course is the combination of units that contribute towards either a CQUniversity award qualification or non-award study.
- **Course Code**: A course code identifies the specific course a student may be studying at CQUniversity.
- **Unit**: A unit is the individual subject students must complete in order to graduate from their course.
- **Unit Code**: A unit code identifies a specific unit that a student is enrolled in under their course.
- **Pre-Requisite (Pre-Req) Unit**: A pre-req unit is a unit which students must pass before being allowed to enrol in the subsequent unit.
- **Co-Requisite (Co-Req) Unit**: A co-req unit is a unit that must be studied at the same time as another unit.
